

Your Car.
Your Music.

PANDORA[®]

Music Discovery is Effortless and FREE with Pandora

Simple

Start with the name of your favorite artist/ comedian, song or genre and Pandora will do the rest.

Personalize your stations by giving songs a thumbs up or down.

Extensive

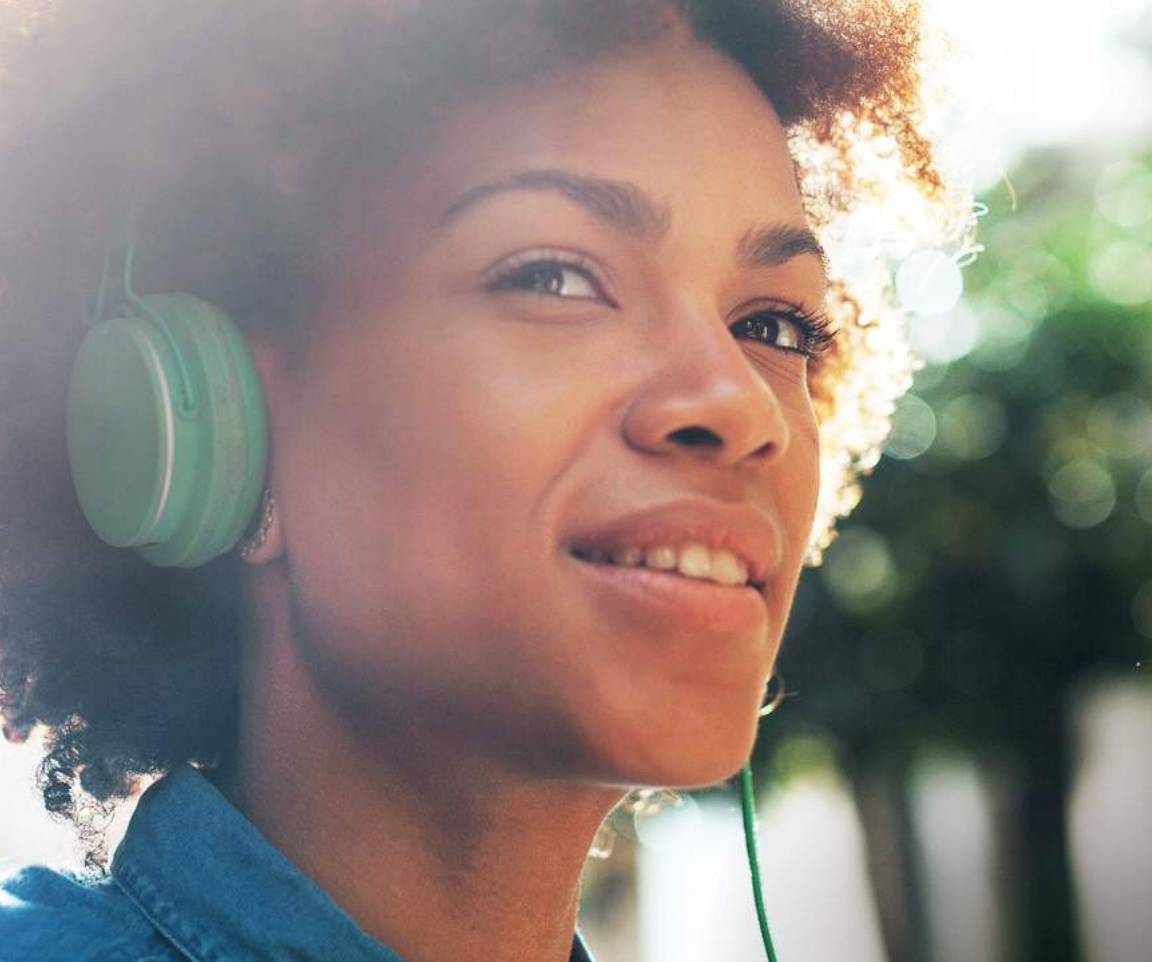

You can also explore more than 700 music and comedy genre stations that were curated by Pandora's musicologists, using the power of the Music Genome Project.

Everywhere

Seamlessly listen to your favorite stations in the car, at home, on your phone, and across the web.

Join the millions of registered Pandora users
by visiting pandora.com to create an account.

Get even more out of your listening experience.

Take Your Favorite Music Along for the Ride

Integrated App

Pandora is proud to be an integrated app in over 160 vehicle models, providing the best possible in-car listening experience.

Full Control

As an integrated app, you can control Pandora with voice or steering wheel controls in select models.

Aux or Bluetooth Connection

Connect your mobile device to listen to Pandora in other vehicle models equipped with an Aux jack or Bluetooth connection.

Use your mobile device only when conditions allow and as permitted by applicable law.

Ask your dealer if Pandora is available in your next car,
or visit pandora.com/car

Getting Started in Your Car

1

Download the FREE Pandora app to your Android™ or iPhone™ smartphone.

2

Connect your smartphone to the vehicle's infotainment system.
(See owner's manual for instructions)

iPhone™ devices
via USB (or Bluetooth
in some vehicles)

Android™ devices
via Bluetooth

3

Open the Pandora app on your phone.

4

Select the Pandora icon from your vehicle's entertainment screen (integrated app) or the audio source your phone is connected to (Aux or Bluetooth connection)

5

Enjoy the ride!

No matter where the
road may lead, great music
is always at your fingertips
anywhere, anytime
with Pandora.

Ask your dealer if Pandora is available in your next
car or visit us at pandora.com/car to learn more.
